

Carnahan High School Admissions Essay

I would really like to attend Carnahan High School because of the good academics and technology that is offered to the students. By me going to this school, I will try to succeed in everything I put my mind to. I want to go to this school because you can help shape me into the real man I need to be. This school could teach me a lot about how to do everything that I face in my future. Carnahan prepares students for their journey as they go on in life.

It will always be a challenge for me to do my best. I will always make it hard because I can do my best at what I set my mind to. I will never give up because nothing is impossible for anyone. I will try to be a leader at Carnahan by being a good role model, student athlete, active National Honor Society Member and overall good citizen. By me going here it sets me on my journey to college and beyond. There is no such thing as limits to grow, so every moment I have I will put forth my best effort.

They say it takes a boy to learn, but it takes a man to teach. Every day, I strive to become more of the man I already am so I can be my best. As my future comes I want it to look bright in my path. I want to learn to take care of my future and achieve all the things I set my mind to. By attending Carnahan, I know I will be able to achieve all these things because of the supportive teachers and the help of my family. They are all important factors as I begin this journey to become a man.
