To Whom it May Concern:

It is my pleasure to write this letter of recommendation for [REDACTED]. I have had the privilege of being [REDACTED] Reading teacher and am currently his School Counselor. [REDACTED] is an incredibly kind person. He is artistic and energetic. While I was his teacher, I often observed [REDACTED] using many different reading strategies to comprehend and think critically.

As his Middle School Counselor, I see [REDACTED] in a different light. He is articulate, kind, funny, and a good person. [REDACTED] is currently a student in the advanced Algebra I class. He has a deep understanding of Apple iPads and three years of experience using them. He loves being given the opportunity to use both his left and right brain.

I highly recommend [REDACTED] to be accepted into your high school. He brings personality and skills that any school can benefit from. If you have any questions, please feel free to contact me at kherman@stlclacademy.org or via phone at 314.763-6666.

Sincerely,

Kendra Herman
Middle School Counselor
